## *Children's Christmas Party!*

December 17, 2017

Gateway Church in Franklin, Tennessee will be hosting the 2nd annual FreshSTART Children's Christmas Party at Craft Memorial UMC in Columbia. Last year 63 FreshSTART children and teens received Christmas gifts that they had "asked Santa for". The gifts were personalized for each child and had their name.

Gateway brought the "REAL" Santa last year and provided an extravagant meal, activities, stories and cookie decorating station for our children and teens! We hope to reach many new children with the Jesus being born story and the love and light of Christ this Christmas. Thank you to our church Partners who make events like this happen!! If you have a FreshSTART child or teen and haven't received a call yet, please call Cynthia McGowan at 931-505-2387 to reserve a space for your young person at this event. Parents are expected to attend with their young children. Children 3rd grade and over can come without a parent. Transportation

## *Announcing FreshSTART Recovery Church Continued...*

### Our Mission

FreshSTART Recovery Church is a place where broken people find healing and restoration. We offer hope to the hopeless and help to the helpless. We are here to be family to the one who feels alone and offer light to the one who finds themselves in the darkness. We offer loving Christ-like community with no judgement and no labels. Everyone is free to be themselves and encouraged to become their "best selves" over time as we walk together. We believe that with the strength of the community and the power of Christ working in us, each of us can experience a blessed life, healed and whole...free of everything that weighs us down, including addiction.

### Our Vision

Our Vision is to see our community become a place where brokenness is no longer a life sentence, but an opportunity to break the cycles and generational curses. Our goal is to create a place where addiction does not win the war, but people gather to claim a beautiful victory in Christ and lead the lives that God created them to live, full of hope, dignity, joy and peace....a place where people know that they are loved by God and feel the love and acceptance of their community.
